

TTNO TOOL KIT DOCUMENT LIST

The TTNO Tool Kit Posters and banners allow you to tailor your display board to your audience. For example, if you are talking to hospice workers, then you might want to print *Poster What is TT?* with the Hand Heart Connection, *Poster TT Benefits*, and *Poster Palliative Care*. For older adults, you could use the *Poster Stress Relief* along with the *Grief and Caregiver Support* posters. To access these documents, log in to the Members Area, then go to **Members Area/Member Downloads/TTNO Tool Kit**, as indicated in the screenshot at left. The TTAW documents are at the top of the “TTNO Documents” page, found just above “TTNO Tool Kit” in the dropdown list.
