

New Webinar for 2026 - Registration Form

Our webinar is designed to widen your thoughts about finding community partners for your outreach activities and to highlight key resources available for you to create your outreach activity.

Just One – You Can Make a Difference Tuesday, March 10, 7:00-8:45 pm (EST) via Zoom

You won't want to miss this! During this webinar you'll be hearing from some guests outside of Ontario who have done some interesting outreach activities. They'll get you thinking of new possibilities. We also want to highlight a few key resources from the over fifty resources we have available to help you create an outreach activity tailored to your specific audience. We'll show you where to find them on the website to help you feel comfortable "going beyond your comfort zone." We guarantee that at the end of the workshop you'll be fired up and ready to do an outreach activity in your community.
