Purpose

To promote personal growth and development of Therapeutic Touch® practice as a commitment to global healing.

Goals

1. To support the evolution of a global community of compassionate practitioners, researchers and educators to promote the Future Consciousness of healing worldwide.
2. To provide examples of how the practice-based Theory of Healing has evolved in various parts of the world.
3. To share self-reflective practices in the actualization of our roles as Therapeutic Touch practitioners

Plus Many Concurrent Breakout Sessions

Deadline for Registration September 15, 2019

The Fifth International Congress on Therapeutic Touch®

Evolving with Therapeutic Touch: The Future Consciousness of Healing Worldwide

Therapeutic Touch International Association (TTIA) and **Therapeutic Touch Network of Ontario (TTNO)** invite our Therapeutic Touch colleagues to learn together and to consciously work toward the promotion and expansion of Therapeutic Touch around the world. Our theme, **Evolving with Therapeutic Touch: The Future Consciousness of Healing Worldwide**, challenges us to deepen our connection with Therapeutic Touch and each other during our days together at TTIA's Fifth International Congress.

Keynote Presentations:

EVOLVING THE ROLE MODEL FOR THE FUTURE CONSCIOUSNESS OF THERAPEUTIC TOUCH

Dolores Krieger, PhD RN QTTT — Co-founder of Therapeutic Touch

THERAPEUTIC TOUCH IN THE QUANTUM WORLD

Crystal Hawk — Psychotherapist/educator, practitioner & teacher of Therapeutic Touch, Co-Founder of TTNO

OFFERING TT TO HOME CARE WORKERS IN RWANDA'S VILLAGES

Peninah Abatoni—Manager/Trainer at Village of Hope and Rwanda Women's Network, a teacher & practitioner of Therapeutic Touch

Therapeutic Touch practitioners and teachers from Australia, Europe, Africa, South America, and from across North America will be learning and sharing experiences. Our keynote speakers will engage your attention, providing inspiration, insight and memories for years to come. International presenters will address topics relevant to the Congress goals and enrich the advancement of our TT practices.

Nursing CNEs:

This activity has been submitted to the American Holistic Nurses Association (AHNA) for approval to award contact hours. The American Nurses Association is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

TTNO & TTNC Recognized Practitioners - Educational Components and Supervised Sessions:

You will receive a certificate confirming educational credits towards maintaining your RP status. Please bring your RP Workbook if you wish to obtain a supervised session(s).

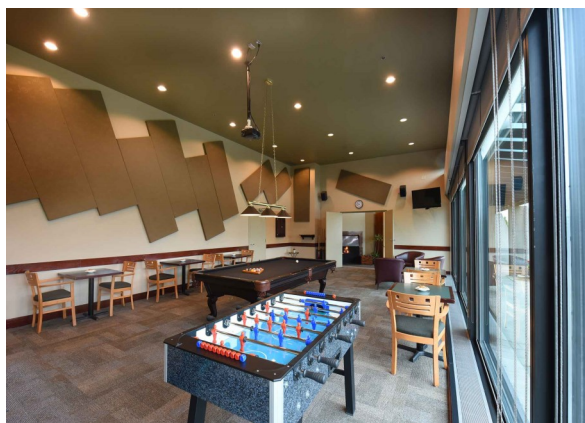

Treasures for the Auction: Help facilitate the flow of energy by donating some of your treasures to the Congress' Silent Auction. Have your practice group create a basket or something beautiful for the auction, or donate something yourself. Funds raised help TTIA and TTNO to further our organizations' growth and development. Auction information? email Penny Craig at 2pennyc@bell.net. Let Penny know if your item is for the TTNO table or the TTIA table.

Recruit New Members to TTIA and receive \$10 off the Conference Fee for each new member (maximum reduction \$50.00). A prize will be given at the Congress to the person who recruits the most new members.

Lend Helping Hands: We need volunteers! • at the registration desk, • offer TT sessions to attendees, • act as timer for our presenters, • assist at Silent Auction, • for transportation, plus other interesting opportunities to be present. When you register, fill in the space calling for **volunteers** to offer your help. We will also have a TT room where you can both offer and receive TT sessions. Volunteering information? email Trish Dean at tdean@uoguelph.ca

The 2019 Congress will be held at **Kingbridge Conference Centre and Institute**
12750 Jane Street, King City, (Toronto), Ontario Canada L7B 1A3

Fun and Games Saturday Evening: Saturday evening is an optional Games Night in Kingbridge's fascinating library and games room. It is a time to relax while networking. No scores will be kept! No money will exchange hands!

Kingbridge is a full-service conference and event venue nestled on 114 acres, 30 minutes north of Toronto's metropolitan core. Transportation: Our Toronto members will do their best to aid people with transportation. Visit www.kingbridgecentre.com for driving directions. More information on ways to get to Kingbridge will be in your confirmation letter. Onsite parking is plentiful and complementary.

The Kingbridge Kitchen has partnered with the Living City Farm Community Supported Agriculture program and is committed to using local seasonal and greenhouse produce. They are willing to accommodate dietary restrictions with vegetarian, vegan, gluten free, dairy free options, in addition to meat and fish choices. Kingbridge has taken steps toward environmental sustainability and is working with us to reduce our carbon footprint.

Accommodations: Each room has either a single king sized bed or two double sized beds, and we will reserve rooms for 1, 2 or 3 occupants. See www.kingbridgecentre.com for photos of the accommodations. In addition to a quiet sleeping environment there is a full sized desk with high speed wireless Internet. See registration form for information regard-ing roommates and room sharing.
